Submitting your forms

It is recommended that you keep a copy of all the forms you will be submitting for your records. Fax your completed form to: **Priority Health EDI Team, 616-942-9932**

Waiting for a response

Once the complete provider enrollment packet has been received, the documents will be processed. Processing will take approximately two weeks from the date of receipt.

After processing, a confirmation will be faxed to you as notification to begin filing claims electronically. If neither confirmation nor a returned packet is received after two weeks, contact the Technology Support Center toll-free at 616-464-8686.

Testing

Once you have received your Submitter ID and password from Priority Health, please call the Ivertex Support Team and set an appointment for a Mailbox setup and Test Transmission to Priority Health.

Please have 25 test claims ready for testing. Test files should consist of a variety of claims that represent the type of claims you will be submitting once production status is achieved. Test claims will not be processed for payment but will be validated against production files; therefore, they must contain valid patient procedure, diagnosis, and provider information.
